

Harper, Holly

I am honored to serve as your CADHS delegate. I graduated from Temple University's School of Dental Hygiene in 1981 and am a member of Sigma Phi Alpha. I have been practicing dental hygiene full time for the past 28 years with licenses in PA, OK, CA and now AZ. Currently, I am 2nd year clinic coordinator at Rio Salado College and enrolled in a master's degree program at NAU. A few of my hobbies are cooking, reading and golfing. My husband and I live in Scottsdale.
